Kim,
Lets talk about this when you are back in the office on Monday.

Chae,
Are you planning on going to Alderbrook? If so, the first day or both days?

It looks like the Willamette Partnership will go with the Dec. 2-3 dates for the next meeting, and it will be at the Alderbrook in Union, WA although the notice hasn't been sent out because they are away this week at a meeting in Wisconsin. Please put in a request for travel funds to cover the cost of your lodging (which I'm guessing will be about \$100 + \$10 tax). Meals will be provided by Willamette Partnership (which means we will need to resubmit or revise our travel ethics forms). Bill will also need airfare from Boise.

I know that funds are very tight but we could consider sharing rooms to save money. Another option is that some could just come for the first day and I will work with Bobby and Carrie to get the agenda to focus on the most important topics that day. I think a few of us should stick around for the second day as well, so let's start with what your unit/office is willing to cover, and let me know the answer.
